

K-LOVE supports wholesome vlaues and has a positive and encouraging impact on communities all across America. I listen to K-LOVE all the time and I don't know what I would do if they were no longer on-air. There are not many stations that play good Christian music across the country with wholesome messages. I believe that K-LOVE is the kind of station that the general public needs to "come across" while searching on their radio. Just listening to the testimonials aired, I know that K-LOVE is making a difference in people's lives.
